

De-energised Property

WHAT IS A DE-ENERGISED PROPERTY?

- ⌚ The main fuse has been removed on request from the supplier
- ⌚ An electric meter has been removed
- ⌚ The electric connection has been removed

WHY WOULD A PROPERTY BE DE-ENERGISED?

- ⌚ The most common reason is that the resident at the property is not paying their bills or the property was being used as a drug farm

WHAT INFORMATION IS REQUIRED?

- ⌚ Tenancy agreement/letterheaded document – including void date
- ⌚ Confirm what is missing
- ⌚ Access Information – Key-safe code, name and contact details

WHAT ACTION WILL ENERGY ANGELS TAKE?

- ⌚ We liaise with the supplier and/or distributor to ascertain the the reason why the supply is de-energised
- ⌚ We will carry out the necessary steps to re-energise the supply
